Commentator Ann Coulter is back on the best seller's list with her new book *Adios, America!: The Left's Plan to Turn Our Country Into a Third World Hellhole* ([http://www.amazon.com/Adios-America-Ann-Coulter/dp/1621572676/ref=zg\\_bs\\_5571260011\\_1](http://www.amazon.com/Adios-America-Ann-Coulter/dp/1621572676/ref=zg_bs_5571260011_1)).

In just its first week, Coulter's hit on illegal immigration and the support Democrats and the media has for it pushed to No. 1 on the Conservative Bestseller List (<http://www.conservativebookclub.com/bestseller-list/>), published in Secrets weekly.

It is also Amazon's top political offering and No. 31 overall.

"No one would accuse Ann Coulter of mincing words in her new book title as she takes on the illegal immigration lobby," said Christopher N. Malagisi, editor of the Conservative Book Club which produces the Conservative Bestseller list. "With her trademark humor and biting wit, she sounds the alarm on the federal government's ineptness on the issue of illegal immigration," he added.

Her book has a timely argument as the presidential election nears: Democrats back any immigration because they hope it will add to their voter base.
